Jesus in His Hometown
Read Luke 4:14–30. Talk about times when you've felt left out or treated unfairly.

Pray "help me" prayers. Stand in the doorway of your house and ask God to help each person as they go to work, school, church, or other places they will go this week.

Make "good news" scrolls. Have each person make a paper scroll, writing or drawing a "good news" message ("God loves you," a heart, or similar) in the middle. Mix up the scrolls and have each person draw one to keep this week as a reminder of God's love.
